Arsenal 5560 Tool Belt Suspenders

» **SECURES & SUPPORTS TOOL BELTS** – Spring-loaded clips easily attach to any tool belt or rig
» **ALL-DAY COMFORT** – Thick foam shoulder padding and gel at key riding points to evenly disperse weight, relieving pressure from the hips and back
» **DURABLE** – Nickel-plated clips and heavy-duty, puncture-resistant 1680D polyester for long-lasting wear
» **EASY ADJUSTMENT** – Quick-adjust suspenders for a comfortable, custom fit on a variety of body sizes
» **DUAL D-RINGS** – For attaching keys, glove clips, tool lanyards and more
» **FRONT POCKET** – For convenient storage of small items or hardware

The **Arsenal 5560 Tool Belt Suspenders** are built for all-day comfort while securing tool belts. Thick foam shoulder padding and gel at key riding points evenly disperses weight to relieve pressure from the hips and back. Durable nickel-plated, spring-loaded clips easily secure the suspenders to any tool belt or rig. These padded tool belt suspenders are made with heavy-duty and puncture-resistant 1680D ballistic polyester for long-lasting wear. Featuring a small front strap pocket and two D-rings for attaching keys, glove clips, tool lanyards and more. One size fits most, the quick-adjust suspender style makes for a comfortable and custom fit on a variety of body sizes. Ideal for any work that requires regular use of a tool belt, including electrical, carpentry, contracting, construction, shop work and more.

HEAVY DUTY & DURABLE
