

GEAR & TOOL STORAGE

Drop Free Zone Arsenal 5180 Half Face Respirator Bag

- » **PROTECT EXPENSIVE RESPIRATORS** – 420D nylon protects half face respirators
- » **WAIST STRAP INCLUDED** – Buckle included strap around waist to keep respirators within reach
- » **DUST PROTECTION COVER** – Prevents dust and debris from damaging respirators
- » **ONE-HANDED CLOSURE** – Hook and loop closure makes it easy to quickly access your mask with one hand
- » **WASHABLE** – Hand wash, air dry

The **Ergodyne Arsenal 5180 Half Face Respirator Bag** is the perfect solution for those looking for a convenient, lightweight, and durable way to store and transport their respirator. This half-face respirator bag is made of heavy-duty lightweight 420D nylon, making it an ideal choice for those who need to take their respirator with them wherever they go.

The Ergodyne Arsenal 5180 Half Face Respirator Bag features an adjustable waist strap that allows for a comfortable and secure fit, so you can be sure that your respirator will stay in place while you work. The bag also has a spacious main compartment with extra velcro closures for quick access to any essential tools or supplies. The Ergodyne Arsenal 5180 Half Face Respirator Bag is designed to fit most half-sized respirators.
