Stop Workplace Strains & Sprains ProFlex® 670 Ambidextrous Single Strap Wrist Support

- » **SUPPORTS WRIST JOINT** – Stabilises wrist to prevent overextension and reduce risk of injury
- » **DURABLE COMFORT** – Vented neoprene for long-lasting wear
- » **ADJUSTABLE** – Secure hook and loop closure adjusts for desired support and fit
- » **AMBIDEXTROUS DESIGN** – For comfortable wear on either wrist
- » **WORKDAY TO WEEKEND** – Designed for workers, athletes or anyone needing additional support

The **ProFlex® 670 Ambidextrous Single Strap Wrist Support** provides firm but comfortable wrist support on and off the worksite, particularly when lifting heavy materials. By keeping the wrist securely in a neutral position, this wrist wrap stabilises the joint to prevent overextension and reduce risk of injury. Made with durable woven, lightweight and vented neoprene for comfortable long-lasting wear. A secure hook and loop straps allows the wearer to adjust to desired support level and fit. Ambidextrous for wear on either wrist. This wrist wrap support is designed for workers, athletes or anyone needing firm stability when lifting heavy materials.
