The **ProFlex 400 Universal Wrist Wrap Support** provides firm but comfortable wrist support on and off the worksite, particularly when lifting heavy materials. By keeping the wrist securely in a neutral position, this wrist wrap stabilises the joint to prevent overextension and reduce risk of injury. Made with durable woven, lightweight and vented neoprene for comfortable long-lasting wear.

One size fits most, a secure hook and loop straps allows the wearer to adjust to desired support level and fit. Ambidextrous for wear on either wrist.

This wrist wrap support is designed for workers, athletes or anyone needing firm stability when lifting heavy materials.
