# Head Protection Skullerz 8960 Bump Cap Hat with LED Lighting

- » **LOW-PROFILE HEAD PROTECTION** – Guards against bumps, scrapes, bruises and other minor head injuries
- » **BUILT-IN LIGHTING** – LED lights under brim emit 48 lumens for 30 hours of hands-free visibility in the dark (four CR2032 lithium-ion batteries included)
- » **REMOVABLE BUMP CAP INSERT** – Impact-resistant ABS plastic shell with foam lining for comfortable protection
- » **REFLECTIVE PIPING** – Keeps workers safe and seen
- » **TESTED & APPROVED** – Meets EN 812-2012 standard for industrial bump caps
- » **HAND WASH** – Remove batteries and bump cap insert

The **Ergodyne Skullerz 8960 Bump Cap Hat with LED Lighting** is a comfortable and stylish hat featuring micro-LED lights and an impact-resistant shell for protection against bumps, scrapes, bruises and other minor head injuries. Built-in LED lights under the brim emit 48 lumens for hands-free visibility in the dark without flashlights or bulky headlamps. Run time is up to 30 continuous hours with use of four CR2032 lithium-ion batteries (included). The removable bump cap insert features a flanged design and foam cushioning liner for comfort and breathability. Available in two different brim lengths for unobtrusive wear in cramped work environments. The nylon hat features reflective piping keeps workers safe and seen in low light situations. This safety bump cap meets the EN 812-2012 standard for industrial bump caps. Not bulky like a hard hat, bump caps are typically worn in spaces where worker-generated impact head protection is needed, like low ceilings, beams, low pipes and other bump hazards. They are ideal for mechanics and airline baggage handlers, as well as workers in factories, in-home services and other industries that do not require safety hard hat protection.

**DURABLE SHELL INSERT**

Impact-resistant ABS plastic with comfortable foam lining

**ULTRA BRIGHT 48 LUMEN BUILT-IN LED LIGHTS**

Improves vision close up, at a distance or in the dark for up to 30 hours

**LOW-PROFILE HEAD PROTECTION**

Guards against bumps, scrapes and bruises when working in cramped spaces

**BREATHABLE**
