The **Squids 3135 Barcode Scanner Belt + Hook** is designed for use with the Squids 3136 Barcode Scanner Adaptor Strap (included) to keep barcode scanners secure and accessible during warehouse and distribution work. This industrial-grade scanner belt is built with a heavy-duty webbing strap and buckles for work in the harshest environments. The durable scanner belt hook securely holds the adaptor strap on the worker's hip to keep scanners at ready. This barcode scanner belt features a curved buckle that fits comfortably against the waist for all-day wear and can be easily accessed for quick on/off. This adjustable belt is available in small and large sizes to fit a variety of workers. When used with a scanner adaptor strap, this belt prevents expensive scanners from being dropped—causing damage to the scanner, other items/equipment or workers on the job. It is ideal for attaching to cordless barcode scanners for work in warehouses, distribution centers, material inventory on construction and steel sites, airline baggage scanning and grocery/personal shopping.

**DURABLE BELT HOOK**

Hook slides for left or right handed use

Securely holds scanner adaptor strap at the hip when scanner is not in use

**FULL RANGE OF MOTION**

Strap easily detaches from belt hook for freedom of movement when using scanner

**FOR QUICK, SECURE ACCESS TO SCANNERS**

Prevents drops, keeps barcode scanners close and ready

**QUICKLY EXCHANGE SCANNERS**

Scanner needs two captive holes

Modular buckles easily clip and unclip to switch scanners
