- » **LOCKS INTO FIXED LENGTHS** – Self-setting pawls set desired lanyard length to take the tension out
- » **INDUSTRIAL GRADE, MADE FOR INDUSTRY PROS** – ABS thermoplastic housing protects the internal components + Technora cord for ultimate strength and durability
- » **TESTED & APPROVED** – Third-party certified to meet ANSI/ISEA 121-2018 standard, 2:1 safety factor

The **Squids 3001 Retractable Tool Lanyard with Single Carabiner & Loop End** is a lightweight and durable tool tethering solution designed to mount to the user's belt or a separate anchor point. Using a retractable lanyard limits potential snag hazards compared to standard lanyards. This lanyard can tether hand tools weighing up to .9kg to prevent falling objects when working at-heights. This retractable lanyard is made with a Technora cord for ultimate strength and durability. The durable ABS plastic housing is textured for better grip and is designed to protect the internal workings of the retractable. This retractable tether measures 122cm when fully extended.

INDUSTRIAL GRADE DURABILITY + RETRACTABLE DESIGN

ABS thermoplastic housing protects internal workings of retractable

Lightweight and low profile design limits snags, tangles and tripping hazards
