- » Approved to the ANSI/ISEA 121-2018 standard
- » Energy absorbing cord with tubular nylon webbing
- » Compatible with 3102F(x) modular lanyards
- » Captive eye carabiner
- » Modular connecting buckle for exchanging tools
- » Lock stitching at both ends for extra security
- » Maximum safe working capacity: 2.26kg
- » Third-party certified to a 2:1 safety factor

Introducing the **Squids 3103 Accessory Kit - Detachable Loops**, the ultimate solution for efficient tool exchanges, approved to the ANSI/ISEA 121-2018 standard. This kit comes equipped with three energy-absorbing cord loops featuring tubular nylon webbing, ensuring both strength and durability for your heavy-duty tasks.

Designed to be seamlessly compatible with the 3102F(x) Lanyards, the Squids 3103 Accessory Kit boasts a captive eye carabiner and modular connecting buckle, providing a secure and straightforward method for swapping out tools when the job demands it. Each loop is lock-stitched at both ends, offering an additional layer of security to prevent unintended disconnections.

The convenience of a 32cm length allows for easy handling while still maintaining a maximum safe working capacity of 2.26kg, which is third-party certified to a 2:1 safety factor, ensuring your peace of mind on the worksite.

Say goodbye to the hassle of manually switching tools with the Tool Tail Detachable Loops included in this kit. Attach them to your 3102 Lanyard and experience effortless exchanges of multiple tools, enhancing your productivity and workflow.

EASY INSTALLATION

Secure with Squids 3775 Self-Adhering Tape (Sold Separately)

TETHER TOOLS AT HEIGHTS

Tested and approved to ANSI/ISEA 121 for dropped object prevention
