Protect your worksite against the damaging sun.

Australian made and owned since 1979, **Maxiblock** is the sunscreen that the locals trust. We all need the best protection against the harsh sun and with the **Essential Range**, Maxiblock has created a smart range of high quality Australian-made sunscreens suitable for all skin types. The Essential Range is a non greasy SPF50+ sunscreen lotion and is the perfect choice for worksites, providing an effective barrier against the harsh sun. The Maxiblock Essential Range is easy to apply and is non-greasy, and it features a non-irritant formula, so it won't irritate skin. The Maxiblock Essential Range comes in a multitude of convenient packaging and sizes, from to personal lip balms, 100ml and 200ml tubes, 250ml spray, and 500ml and 1L pump bottles, to makes it easy to apply and top up throughout the day. Use at least 35ml per adult application: 5ml (a teaspoon) to the face (including ears and neck), each limb, the back, and the front of the body. Apply liberally onto clean, dry skin and rub evenly at least 20 minutes before sun exposure. and re-apply every 2 hours. Maxiblock sunscreens are priced fairly to protect everyone against the harshest sun.
