Protect your worksite against the damaging sun.

Australian made and owned since 1979, **Maxiblock** is the sunscreen that the locals trust. We all need the best protection against the harsh sun and with the **Outbacker Range**, Maxiblock has created a SPF50+ sunscreen with insect repellent for when you need protection from the sun and from insects such as flies or mosquitoes. This lightweight formula combines potent sunscreen actives with powerful insect repellents such as DEET into a pleasant yet effective dual protection lotion.
