The **N-Ferno 6811Z Zippered Rib Knit Beanie Hat** provides exceptional warmth and optional protection. Made from 100% soft dry acrylic and featuring 40-gram 3M flex stretch insulation, this beanie ensures a comfortable fit for those chilly days. It includes a zippered compartment compatible with Skullerz 8945F(x) Bump Cap Insert sold separately for added protection against minor head injuries.

The Skullerz the 8945F(x) Universal Bump Cap Insert delivers enhanced breathability and up to 35% more crown impact protection. With flexible sides and convenient trim-to-fit customisation, this bump cap inserts into the N-ferno 6811Z Zippered Beanie for ultimate protection. The shell is made of lightweight, durable polyethylene with a ribbed top for stronger crown impact protection.

Perfect for a variety of settings, including construction, baggage handling, mechanics, the N-Ferno 6811Z offers both versatility and comfort. This beanie is machine washable and designed to fit most head sizes, making it a practical choice for anyone in need of reliable warmth and head protection.

8945F(x) Bump Cap Insert sold separately / SKU: 23481
