Sunscreen

Maxiblock Kinder Sunscreen SPF50+ 100ml Tube

- » High efficacy formulation delivering very high protection with 44% fewer UV filters compared to Maxiblock Essential
- » Contains 4% avobenzone (UVA filter)
- » Featuring dry touch technology for a light-natural skin feel
- » Suitable for sensitive and delicate skin and dermatologically tested

Protect your worksite against the damaging sun.

Maxiblock Kinder Sunscreen SPF50+ offers superior sun protection with 44% fewer UV filters compared to the Maxiblock Essential range. This gentle sunscreen is specifically designed for sensitive skin. Featuring dry touch technology, this sunscreen provides a light, natural skin feel without greasiness. It absorbs quickly, leaving no residue, making it ideal for daily use. It is free from fragrance, alcohol, mineral oil, parabens, phenoxyethanol, and benzyl alcohol, minimising the risk of irritation. Apply at least 35ml per adult application: 5ml (a teaspoon) to the face (including ears and neck), each limb, the back, and the front of the body. Ensure to apply liberally onto clean, dry skin at least 20 minutes before sun exposure and reapply every 2 hours. Maxiblock has been proudly Australian made and owned since 1979, delivering high-quality sun protection. The Kinder Sunscreen SPF50+ is part of the commitment to providing effective, non-irritating sun care solutions for sensitive skin.

WHY CHOOSE MAXIBLOCK KINDER SUNSCREEN?
